WHY WORRY?

If you have *done the very best you can*,
Worrying won't make it any better.
~ Walt Disney

The Five W's Of Life

Who you are is what makes you special. Do not change for anyone.

What lies ahead will always be a mystery. Do not be afraid to explore.

When life pushes you over, you push back harder.

Where there are choices to make, make the one you won't regret.

Why things happen will never be certain. Take it in stride and move forward.

"Success is the ability to go from one failure to another with no loss of enthusiasm." - Winston Churchill
