TRIDUUM OF THE ASSUMPTION OF MARY, the MOTHER OF GOD

This year is especially extraordinary because we will also celebrate the 90th Anniversary of the Grotto's Dedication on August 14th, 1927, by Bishop Schrembs.

Our **Vigil Mass on Monday will be celebrated by Bishop George V. Murry, S.J.** at 7:00 PM in the Grotto followed by the candlelit rosary procession. A reception will be held in Gaudete Hall following the Mass and rosary. We pray for good weather!

There is no Mass on Sunday evening, August 13th. Instead **Fr. David Misbrener, Pastor of St. Peter of the Fields**, will be the celebrant for **Benediction of the Blessed Sacrament** with sung supplications from the Eastern Rite at 7:00 PM. A candlelit rosary procession will follow.

Tuesday's **Holy Day Mass of the Assumption will be celebrated at 7:00 PM by Monsignor David Rhodes**, Pastor emeritus of St. Christine. This mass will also be followed by a candlelit rosary procession. As always, if the weather isn't cooperating, Mass and benediction will be held in the church.

** *There is a signup sheet located at the back of church for all liturgical ministers and altar servers.*

Some Tips from Pope Francis on Being Happy

1. *"Live and let live."* Everyone should be guided by this principle, he said, which has a similar expression in Rome with the saying, "Move forward and let others do the same."
2. *"Be giving of yourself to others."* People need to be open and generous toward others, he said, because *"if you withdraw into yourself, you run the risk of becoming egocentric. And stagnant water becomes putrid."*
3. *"Proceed calmly"* in life. The pope, who used to teach high school literature, used an image from an Argentine novel by Ricardo Guiraldes, in which the protagonist -- gaucho Don Segundo Sombra -- looks back on how he lived his life.
4. *"A healthy sense of leisure."* The pleasures of art, literature and playing together with children have been lost, he said.
5. Sundays should be holidays. Workers should have Sundays off because *"Sunday is for family,"* he said.
10. Work for peace. *"We are living in a time of many wars,"* he said, and *"the call for peace must be shouted. Peace sometimes gives the impression of being quiet, but it is never quiet, peace is always proactive"* and dynamic.
