

Jesus Tells a Story

The Evil Servant

Peter came up to the Lord and asked, "How many times should I forgive someone who does something wrong to me? Is seven times enough?" Jesus answered: Not just seven times, but seventy-seven times! Matthew 18:21-22

Jesus tells us to forgive others and do not hold a grudge or hold onto your anger with them. He tells us the story of the Master who forgave his servant. But do not be like the forgiven servant who did not forgive his fellow servant. Jesus forgives us, and we must forgive others.
