Stepping
Stones
To Our
Heritage

*We Ask
for Your
Help To
Preserve Our
Heritage*

*We want
to recognize our
ancestors who were
the foundation
of St. Joseph's as
it is today, and
to show our
commitment to*

*continue this heritage, for we will be the
ancestors of our parish in the years to come.*

*Your name or that of your ancestors
can be permanently etched on one of the
blocks, giving you an everlasting share in
the beautification and preservation of
St. Joseph Church.*

*To obtain your everlasting share, just
complete the attached pledge/order form.
You can place it in the collection basket,
drop it off at the rectory, or mail it.*

*Founded in 1831, St. Joseph Parish was the
first Catholic parish in Portage County, and only
the sixth in Ohio.*

*The first St. Joseph's church was little more
than a log cabin mission, serving a few families.
Today our parish is the spiritual center for over
900 families.*

*Whether your family was among the first to
clear the land, or you are more recent "settlers,"
you share in the rich religious heritage that we
seek to preserve and maintain.*

*At the project's inception, the first 72 blocks
were dedicated to each of the priests who have
guided our spiritual paths through the rich history
of our parish.*

*It is said that branches draw their life from
the vine. Each is separate, yet all are one as they
share one life-giving stem. The bible tells us we
are called to a similar union in our life, our lives
with the life of God. We are incorporated into
Him, made shares in His life. Apart from this
union, we can do nothing.*

Pledge Card
