## The Five W's Of Life

**Who** you are is what makes you special. Do not change for anyone.

**What** lies ahead will always be a mystery. Do not be afraid to explore.

**When** life pushes you over, you push back harder.

**Where** there are choices to make, make the one you won't regret.

**Why** things happen will never be certain. Take it in stride and move forward.

"Success is the ability to go from one failure to another with no loss of enthusiasm." - Winston Churchill
