- The first Independence Day was celebrated on July 8, 1776, in Philadelphia and the official signing took place on August 2, 1776. The stars on the original American flag were in a circle so all the Colonies would appear equal.
- The White House celebrated Independence Day for the first time in 1801.
- America's oldest continuous Independence Day celebration is the 4th of July Parade in Bristol on Rhode Island. This year it will celebrate its 232nd year.
- Fireworks are a major part of the celebrations because the first Independence Day celebration on July 4, 1777, saw Americans gathering to watch as the sky illuminated to celebrate the new nation.
